

Intern Recruitment

Queensland Health

GOLD COAST

Gold Coast Health Service District

The Gold Coast is a very dynamic city with a rapidly growing, multicultural population. To match the diverse health needs of this increasing population, the Gold Coast is actively expanding its health services. To ensure these health demands are met, qualified clinical and support staff from a range of fields are needed.

First class facilities, extensive training, exciting challenges and a multitude of career opportunities make the Gold Coast the perfect place to advance your career in Medicine. The Gold Coast offers the opportunity to combine professional advancement, job satisfaction and relaxation into one fulfilling lifestyle. Enjoy all the conveniences of living in a modern city during the week; escape in rainforest hinterland or on world class beaches on the weekend.

The Gold Coast has something for everybody
